Service “The Worst Form of Government – Except All the Others”

Sunday, 1/21, 10:30-11:30a What principles underlie the assertion:

Democracy is the worst form of government – except all the others? Our UU principles assert the value of a democratic process. Why is that so central to our living tradition? Turns out, Democracy’s importance has a lot to do with the belief in freedom and in non-violence. Join Rev. Fa Jun to discover the value of true democracy, how democracy and non-violence are inextricably linked, and tools to make our own American democracy work better!

Compassionate Communication – “Reprogramming Negative Self-talk”

Thursday, 1/25, 7-8:30p “Nonviolent Communication” is a tremendous model to help us speak kindly to others, but it is also a powerful way to speak to ourselves to create more peace, safety, insight, and warmth than ever before. And the good

news: When we’ve learned to use this type of communication within, we’ll automatically start using it on the outside, too! Join Rev. Fa Jun for an enriching evening.
