1215-215p **Environmental Justice** Class 2 (children welcome!)

* For details of recurring activities, refer to the Activities & Programs web page at UUFLG.org.

"The Dao of Love" Sun, 2/17, 1030a In honor of the Asian lunar **new year**, let us journey through the teachings of the great masters of **Daoism**, and listen to what they have to say about **love**. We'll discover a robust tradition that encourages us toward harmony, civility, and common **care**, with practical advice that remains current even after more than two millennia! -Rev. Fa Jun

Potluck to Celebrate Annual Giving Campaign 2/16, 530-730p **This Saturday**, we encourage **everyone** to bring a food item to share

(vegetarian/organic meat entree, side dish or dessert). Let's create a meal of sustainable and scrumptious delights. We'll **celebrate** our Giving Campaign for the upcoming fiscal year. Even if you have not pledged by the potluck, plan to attend and pledge when you can.

Come with **big hearts** (and big appetites) to support our **community!** Let's break bread and **enjoy** each other! Contact: Donna Brewer (donnavb@hotmail.com) or Laurie Roberts (lauriequilt@gmail.com).

Winter Survival Sack Drive Sun, 2/3-2/17 **This Sunday**, we wrap-up collecting personal hygiene items, socks, and underwear for "survival sacks" and for smaller "hygiene kits" that Sacred Heart Community Service distributes

to homeless clients. RE students will pack them on Sunday, 2/24. The survival sacks are backpacks containing 3 months of supplies; **100** of these go out each month. Men's and women's sacks are packed to provide different underwear. The "hygiene kits" are small bags of hygiene items that are available ongoing. Items for these kits should be small travel or hotel amenity size in order to fit into a gallon-sized ziplock bag. For items to **donate**, see February's *Fellowship News* or the small handouts in

the foyer. We also welcome **cash** and check donations to purchase any items in short supply. Write checks to UUFLG, with "survival sacks" in the memo line. Our **goal** is 15 backpacks and 15 hygiene kits!

February's Shared Plate: Village Harvest

This Sunday, 2/17, the offertory (except for checks and envelopes marked "pledge")

will go to Village Harvest, a nationally recognized Bay Area organization harvesting **abundant** fruit from homes and small orchards to pass it along to local food agencies to **feed** people in need. Via villageharvest.org and **(888) FRUIT 411**, they also provide information and education on fruit tree care, harvesting, and using fruit. Locally, more than 1 of 10 people needs extra food. The community comes together to **share** fruit from our gardens, our volunteer time, and our community spirit to make a real difference for others.

Donations exceeded **245,000 pounds** in 2018!
