"We the people..." Sunday, 6/16, 10:30a The theme for this year's UUA General Assembly (next week in Spokane) is "The Power of We." This evokes the opening words of the preamble to our U.S. Constitution (so dishonored at present), which in turn, reminds me of our "founding fathers" and leads me to some thoughts about how we understand fatherhood at both a personal and national level. I'll explore the interweaving of such images on this morning of Father's Day. -Rev. Jay Atkinson, Guest Minister
