Practical Reincarnation

Following our theme for the month of looking into the unseen realm in practical ways, we'll explore the notion of how we reincarnate all throughout our lives. We'll also look into some practical ways of utilizing the information that comes to us in dreams or other altered states – including imagery that resembles past lives. –Rev. Fa Jun

We hold **Children's Religious Exploration** (CRE) classes at the same time. Our nursery and preschool children continue to learn about **autumn** changes in October from their teachers Katie and Anna Stubstad.

All Hallows

In this morning's service, we'll take the opportunity to make an altar honoring the beloved dead. Please feel free to bring a photo or image of your departed loved ones, and/or a small offering to place on the altar. After this ceremony, we'll enjoy a short talk about practical ancestor worship, along the lines of our other practical sermons this month dealing with the unseen realm. –Rev. Fa Jun
