***Mid-Week Update
February 18th, 2015***

**Sunday Service: February 22nd, 2015
10:30 AM**

A Friends Service

Lynn Golbetz, Worship Leader

Like the Unitarians and Universalists, the Society of Friends (Quakers) is a small denomination that has been a strong force for social change, working especially for justice, equality, and peace. We will look at the views and contributions of the Friends and sample the Quaker tradition of silent worship.

The sermon will be a brief discussion of Quaker ideas, followed by a longer time of sitting in silent community. Anyone who feels moved by the Spirit (however defined) may rise and speak. In our remorselessly talkative world, silent openness can lead to amazing insight.
