

Board Mtg Minutes 12/18/14

Blossom hill rd sign

Already has a chalice on it

Jim will make a smaller sign to say "enter on Old Blossom Hill Rd"

Based on his having heard complaints over difficulty in finding us

Religious symbols folder

Let's get the status of that. Was looking great, get it settled

We can utilize this with our 'Welcomers' campaign for building membership

Valuable in itself, but also helps get people back

Green cards

Calling them "guest cards" rather than "visitors cards"

Information on the back

Have they been entered into the computer

Have they met the minister

Have they been hooked up with another member

Signed membership book?

Name Badges

Give people choice – clip-on or lanyard

New Administration links with password

Board needs a secretary – put it in the newsletter and the OOS

Ideas about who this could be

Lifespan Learning and Teachers

Fa Jun will craft an email regarding having teachers stay until 12 on Sundays and talk with Parents.

He will lay out some preliminary guidelines as to duties. Etc.

Feedback box

We will have a folder for those forms and highlight any action items during a board meeting.

Exercise:

Each board member makes up a 1-minute elevator speech to pitch UUFLG

Have a practice of saying them to each other. Sharpen them up.

Have prepared for Next Meeting in January

[an elevator speech is a short speech that you could give someone while riding in an elevator before the doors open]

POSTCARD of the 7 principles. Brady is heading that up

What type of mailing list do we get?

People who just bought houses

Print the right amount to send to the right slice of the population

Are announcements getting too cluttered?

What is our policy.... Do we need verbal announcements, or can we just point to the OOS?

Fa Jun launched "Principles in Practice" class with good, and happy turn out

Next one scheduled for late January

Also launching "compassionate communication" class as a group pastoral care format to help our congregation with their communication, people's relationships, and etc.

Watch for leaks in the roof.

Get reflective tape for turn in signs for parking (jim).
