

JOB OPPORTUNITY

UUFLG is looking for teachers for our youth during Sunday Worship.

We need a child care provider to be with our littlest children in the nursery and a Teacher Aide to work with Laura and the children 6-11 years old.

It's a commitment of only two hours per week. In addition to providing a little bit of extra income, these positions offer the possible opportunity for teachers in training to get credit for practical experience.

If you or anyone you know (perhaps a neighbor, grandchild or friend?) please talk with Katie Stubstad (katiep@pacbell.net; (408)377-1606) on the LifeSpan Learning Committee.

Thanks.
