## Activism 101 & Social Action 'Huddle'

TODAY Sunday, March 12, 12-2 pm

In this new age of activism, it's time for some teach-ins. This series called 'Activism 101' is designed to share best practices of social action for creating change. At this gathering, we'll review the logic behind non-violent civil resistance, the research on how it creates change, and discuss some potent forms of non-violent action and why they work. Then, we'll 'huddle' in small groups and discuss specific actions that we feel inspired to take together.

## Our Mission

provide a place where people are *inspired* to think about and discuss values, ethics, and the meaning of their lives.

stimulate spiritual *growth* in children and adults through exposure to a wide variety of religious thought and experience.

provide mutual support, *caring* and fellowship to our members.

provide support of the larger community through service and *social action*.

appreciate and honor our *connectedness* with all living things.
