Service "Enhancing Our Welcome"

Sun., 7/15, 10:30-11:30a – As a follow-up to Pride month, let's continue the conversation on being a welcoming congregation. We'll refresh our understanding of why this is important, and we'll study some of the subtle ways we can enhance the creation of a safe, welcoming and loving space for all people, and especially our LGBTQ+ friends!

Vegetarian potluck dinner to celebrate our steps toward becoming a Green Sanctuary! Sat., 7/14, 5:30p – Bring a favorite vegetarian dish to share. Please also bring one copy of the recipe so others can take a picture of your recipe. For those without smart phones, we will make arrangements to get you a copy of recipes you'd like. Strive for organic, local, vegan ingredients if possible. Perhaps we can find some organic wine to share. There will be a short presentation about the Green Sanctuary program and some information on how eating vegetarian (or eating less meat) can help the environment. Join us for a fun evening of delicious food that helps reduce our impact on the earth!

An Evening Together – Concert by Dave Coldren Sat., 7/21, 7-9p – Join us for a concert by our musical director, Dave Coldren, to raise money to defray costs for his attendance at the UU Musicians Network Conference in Portland, OR, in August to represent our Fellowship and to introduce songs that Dave and Lynn Golbetz composed, focused on the UU 7 Principles. For more on the conference, visit uumnconference.org. The suggested concert donation is \$10 or your discretion, and refreshments (snacks, beer, wine, etc.) will be available for purchase. Don't miss this time of connecting through music!
