## ***"Seeing with Newborn Eyes: Rediscovering", Sun., 26, 10:30a***

In our current age of strife and chaos, it's easy to be angry or afraid... which is usually based on old habits of seeking safety, as well as how we have become used to perceiving the world around us. And yet, a new beginning is available to us in every moment. Rediscover your presence – and that of others – through inspiration, meditation, and exercises.

–Jonathan Bender, Guest Speaker
