September 16 - September 30

September 19, Sunday, 10:30-11:30am, In-person & Zoom

## Our Human Potential

Okay, I know. The last time you heard “human potential” was likely in a new-thought type book from the 70s, but we UUs know it as our “inherent worth and dignity”. What if beneath the idiosyncrasies and rituals of the world’s spiritual traditions, they were all pointing at a deep truth about our humanness? What if the depth of what it means to be human was a potential most of us haven’t realized yet? And what if new research was pointing to amazing insights about what’s possible for Homo Sapiens Sapiens? Come explore these ideas with us this morning. –Rev. Fa Jun, Minister
