August 14, Sunday, 11am-12pm, *In-person & Zoom

Combating Climate Change

Climate change is real and is serious. But there is hope. We have the technology to combat global warming – and any halt to temperature rise is helpful. We just need to engage the public and political will to make change happen. This sermon focuses on the potluck of actions that we can take.

Georgia Platts is a member of our Fellowship and is a retired Foothill College instructor of women's studies. John Fioretta is a retired prosecutor. Both work with Citizens Climate Lobby, where John founded the local chapter.

Zoom remains an option: [direct link](#). Zoom details are on our [website](#) and [calendar](#). Contact our service associate to plan UUFLG special announcements, etc.

* For in-person attendance, we continue to follow safety protocols detailed in our [Gathering Guidelines](#).

To share joys and concerns, please send an email to joysandconcerns@uuflg.org with a brief message anytime during the week and before the service begins. You may also share live during the service.

Children & Youth Religious Exploration (CYRE) – We supervise and provide activities for children from 10:45 to 12:15. Youth are welcome to participate in a variety of roles around the Fellowship.

We are grateful for our volunteers who make Sunday Service a special time!
Our invaluable volunteers this Sunday include service associate [Mark Ditzler](#), sound technician [Aytug Karalar](#), and zoom host [Sarah Ditzler](#).
Please thank them in person when you get the chance!

Game Night

We enjoy Game Night on third Saturdays, alternating locations between the Los Gatos and Sunnyvale UU fellowships. This time it's in Los Gatos, and we'll play at tables outside. A variety of games are on hand that appeal to both adults and children—or bring along one of your own. Feel free to share in potluck snacks.

Send announcements to comms@uuflg.org by 7 pm Tuesday for that week's issue.

Announcements are edited for brevity, clarity and style.
