Preparing for Harvest

As the days grow shorter, it's a natural human impulse to begin going inward. In our personal lives, activism, and community-building, the power of gathering and introspection is an asset often ignored in modern America. This morning we'll discuss how to tap this autumnal force within and ride the tides into the next season.

Zoom remains an option: [direct link](#). Zoom details are on our [website](#) and [calendar](#). Contact our service associate to plan UUFLG special announcements, etc.

* For in-person attendance, we continue to follow safety protocols detailed in our [Gathering Guidelines](#).

To share joys and concerns, please send an email to joysandconcerns@uuflg.org with a brief message anytime during the week and before the service begins. You may also share live during the service.

Children & Youth Religious Exploration (CYRE) – We supervise and provide activities for children from 10:45 to 12:15. Youth are welcome to participate in a variety of roles around the Fellowship.

We are grateful for our volunteers who make Sunday Service a special time!
Our invaluable volunteers this Sunday include service associate [Lynn Golbetz](#), sound technician [Joe Fitch](#), zoom host [Matthew Fitch](#), and snacks providers [Karen](#), [Joe](#) & [Matthew Fitch](#).

Please thank them in person when you get the chance!

We will gather around tables outside; masks requested inside. Game on!

Constitution Day and Citizenship Day, Saturday, September 17

On September 17, 1787, the Founding Fathers signed the [US Constitution](#). For 235 years, the Constitution has served as the supreme law of the land. The Constitution, along with the Bill of Rights and other amendments, structure our government and guarantee our rights. Each year, on September 17, Americans recognize Constitution Day and Citizenship Day.

A great way to live the principles of our constitutional democracy is to support [Move to Amend](#), a grass-roots organization of citizens working to amend the Constitution to end corporate rule and legalize democracy by firmly establishing that money is not speech, and that human beings, not corporations, are persons entitled to

constitutional rights. Move to Amend asserts that the Supreme Court is misguided in principle, and wrong on the law. In a democracy, the people rule.
