

UUFLG Member Use & Discounts

The \$100 refundable security deposit is required for everyone who uses the building for any purpose.

(Except for UUFLG Fellowship activities)

A UUFLG Facilities-Use Agreement is to be completed by everyone who uses the facilities.

(This is to ensure that we have contact / responsible party information for every event on the premises. There is a shorter agreement for member events and Fellowship activities.)

Charges for UUFLG Member Use

There is no charge to UUFLG members for use of the facilities for religious services (e.g. weddings and wedding receptions, child dedications, memorial services) or for personal non-religious use (e.g., private birthday parties).

There is a 10% discount for rental by members of other UU congregations for these purposes.

Unfortunately, we cannot make our facilities available to individuals, either members or nonmembers, for non-religious/non-personal uses (e.g., business meetings or classes).
